LEO GROUP OF COMPANIES

THE VISIONARY LEADER BEHIND THE SUCCESSFUL RISE OF LEO GROUP OF COMPANIES

Mr. Abdulla Sawad, the founder of Leo Trading, one of the Maldives' largest logistics companies, is a true embodiment of entrepreneurial spirit, vision, and resilience.

ABDULLA SAWAD
CHAIRMAN AND MANAGING DIRECTOR

With a relentless drive, exceptional leadership, and an innate ability to turn challenges into opportunities, Mr. Sawad transformed his humble beginnings as a small shop owner into the thriving logistics powerhouse it is today. Leo Trading now stands at the forefront of the industry, equipped with an extensive fleet of heavy-duty vehicles and industrial machinery.

Through his unwavering dedication, strategic foresight, and tireless work ethic, Mr. Sawad has proven that success in business is earned through persistence and innovation. His journey from modest origins to becoming an industry leader with over 30 years of experience, serves as an inspiration for aspiring entrepreneurs.

LEO TRADING PVT LTD

The comprehensive suite of services encompasses new elevator installation, robust and reliable maintenance programs, and the supply of premium replacement parts for both private and public sector enterprises.

ELS LEO

A company specialized in pile driving, geotechnical investigation, laboratory services, and borehole construction. The company also provide many forms of precast products to suit specific construction, engineering needs and also offer precast housing solutions.

Mr. Sawad's journey is a testament to his ability to navigate challenges and seize opportunities. Recognizing the logistical difficulties posed by the Maldives' archipelagic geography, he strategically pivoted Leo Trading's focus towards industrial goods and services, a move that helped position the company for long-term success. His commitment to improving infrastructure, paired with his hands-on approach to leadership, allowed Leo Trading to grow rapidly, becoming the largest and most reliable logistics provider in the country.

Under his leadership, Leo Trading has not only expanded its fleet but also diversified its services to meet the evolving needs of the Maldives. Today, the company offers a wide range of services, from leasing heavy construction equipment to providing cargo clearance and handling large-scale industrial projects.

Mr. Sawad's forward-thinking vision has set the company on a path of continued growth and innovation, positioning Leo Trading as a key player in the Maldives' economic development. His story is a powerful reminder of how dedication, innovation, and strategic thinking can transform a simple idea into a thriving business that impacts an entire nation.
